

ART - Cycle 4 - (LVE)

Compétences travaillées

Independent and critical thinking, decision-making and problem-solving **D1.4, D5**

Observing and recording from first-hand observation, experience and imagination.
Recording experiences and ideas in appropriate forms when undertaking research.
Exploring relevant resources by analysing, discussing and evaluating images, objects and products, making and recording independent judgements in visual and other forms.
Applying knowledge and understanding in making images, artefacts and products; reviewing and modifying work, and planning and developing ideas in the light of their own and others' evaluations.

Communication **D1.2, D1.4**

Expressing and communicating ideas and feelings.
Gathering, selecting and organising visual, tactile and/or sensory materials and other relevant information.
Be able to analyse their own work, and also comment on the work of others.
Generating and exploring potential lines of enquiry using appropriate new media practices and techniques.
Organising, selecting and communicating ideas, solutions and responses, and presenting them in a range of appropriate visual, tactile and/or sensory forms including the use of new technologies.

Practical Skills and Creativity **D1.4, D2**

Investigating the use of line/tone/colour/shape/form/pattern/texture.
Exploring and developing ideas in a sketchbook, experimenting with a range of media/techniques and processes.
Be able to work independently.
Have a creative outlook.

Coursework or portfolio **D1.4, D2**

Developing and Investigating.
Experimenting.
Recording.
Presenting.
