

Message from the Head

Chères familles,

I am very pleased to start this note by sharing some exciting news with you: last week, we learned that our school had been ranked #1 French School Abroad (500-1000 students) worldwide and #2 IB School in the UK (small <u>cohort</u>). We are incredibly proud of our students for their hard work and achievements, and deeply grateful to our staff and families for their tireless dedication in supporting our students. Our school is a place where students can thrive,

grow, and prepare for a bright future. Rankings certainly shine a spotlight on certain successes, but it's the daily moments where our students think, dare, share & care that matter the most. Thank you to everyone—students, families, and staff—for being part of this journey. Together,

we build a community we can all be proud of. I hope that you will enjoy reading all about the brilliant learning that has taken place this period

Bonne lecture, **Pauline Prévot**
